## About Company

**QCA Security Services is an established security firm with over 15 years of industry experience.**

Founded by Clyde Adams and led by Director Caroline Adams, our company specializes in 24/7 alarm monitoring and reaction, security guarding, CCTV cameras, alarm systems, intercoms, garage and gate automation, and access control solutions.

Our mission is to provide high-standard security services that fully satisfy our clients' needs while creating a safe and welcoming environment. We are committed to offering affordable security options, especially to those who cannot afford expensive monthly fees.

At QCA Security Services, we stand out with our speedy and professional service delivery and competitive pricing. Our vision is to become a leading high-quality security provider that understands evolving client needs. We aspire to grow and continue our mission of crime prevention.

Since opening our doors in 2017, QCA Security Services has delivered professional and effective services to prominent clients such as BP Marine, Visko Sea Products, Genesis Hub, Panorama School, Weston High School, and many more.

Contact us 24/7 for comprehensive security solutions at affordable rates.
